

## Youth Soccer Instructors Needed for Children Ages 3-8

Soccer Shots is a program that introduces soccer to children ages 3-8 at preschools and daycare centers all over the area. We are currently expanding and need a few great instructors to help us run some sessions at some of our centers beginning in March.

This is a part time and seasonal position and can be somewhat flexible, depending on your schedule.

The classes are during the week, typically in the morning before 11:00 or in the afternoon after 2:30. Each class is 30 to 40 minutes long. We provide training, equipment, and all curriculum materials. We pay \$20 for each session you run. At some centers, there will be multiple classes, meaning you could run 2 or even 3 classes in a row. This would double or triple your pay.

We need instructors in Austin, Round Rock, Georgetown, and Cedar Park.

The ideal instructor meets the following criteria:

**Responsible** – arrives on time to each session, can handle a group of 10 or more children, keeps accurate attendance, communicates well with Soccer Shots director, etc.

**Professional** – neat in appearance, friendly and courteous with day care center staff and director, self assured

**Enthusiastic** – must enjoy young kids, be able to connect with kids ages 3-8, must make the Soccer Shots class the best 30 minutes of their week, etc.

**FUN** – enjoys having fun with young kids, being goofy, using your imagination, and watching kids smile.

**Patient** – must be a patient person who understands young kids.

**Soccer** – no official soccer experience is required; however, having some familiarity with the game either as a player or coach will be helpful

In addition to the above, a successful candidate must pass a Child Abuse History Clearance and Background Check.

We are currently seeking applicants for our upcoming spring season. If you meet the criteria listed above and have further interest in a position, please email us with your information and related experience, the times that you are available to work, and **attach a resume.**

**If you don't enjoy working with kids and having FUN, don't apply!**
